THE COLLECTION

Welcome to the Ferrari hire & retail collection. Over the next 20 pages be inspired by our stylish selection of suits and accessories catering to all special occasions - whether you are getting married, attending a black tie dinner or heading to your school formal.

WHAT IS FORMALWEAR?

The Ferrari collection includes day suits, tail coats, dinner suits, tuxedos, morning suits - all types of formal and special occasion wear. Our professional formalwear consultants can help you decipher the dress code of your next big event, which may include:

>>> **Classic Black Tie**

A black suit with satin trim, white shirt with formal collar or pleats, black vest and black tie (either bow tie, slimboy, cravat or long tie). See our Sinatra suit on page 9 as an example.

>>> **Creative Black Tie**

As above but you don't necessarily need black accessories! Choose from our great range of colours in formal vests and ties on pages 18 & 19.

>>> **Formal**

This generally means the same as Creative Black Tie - a black suit with satin trim and coloured accessories. Look for Zenetti Kyle on page 5 as an example.

>>> **Lounge Suit**

A lounge suit, or day suit is a suit in any colour that does not have satin trim. The invitation may also stipulate Cocktail or Semi-Formal. The outfit could be worn with or without a vest in fabric matching the suit.

RETAIL COLLECTION

Quite often our grooms ask 'can I purchase this suit?' as a keepsake of their special day. The answer of course is yes! The Ferrari retail collection has fashion-forward suits, shirts and accessories to purchase, not only for the wedding party, but also for other occasions which call to dress up - racing carnival, school formals, job interviews and even business attire.

If you plan on attending a number of formal events, purchasing your own classic black suit is definitely worth the investment. See our Zenetti Lachlan suit on page 18 as an example.
